ACADEMICS

BACHELOR OF COMMERCE (B.COM)

Our college offers the students a degree in B.Com. course affiliated to Mysore University & Chamarajanagara University.

The Department of Computer Science, Commerce and Management proclaims to add professionally prudent commerce and management students to the corporate world.

B.Com course has a wide variety of subjects that link the corporate and the academic worlds. The Business World has a huge demand for Commerce graduates. If one has a disposition for a higher qualification, there are many postgraduate courses available.

The Outcome of B.Com(NEP) course

- To develop the skills required for the application of accounting concepts and techniques learned in the classroom at the workplace.
- To provide competent and technical skills personnel to the industry in the area of Accounting, Finance, Taxation, Cost and Management Accounting.
- To enhance the employability skills of the commerce students.
- To enhance the capability of the students to improve their decision-making skills.
- To enhance the capability of the students to make decisions at personal and professional level.
- To encourage entrepreneurship among students pursuing education in the field of Commerce.
- To empower students for pursuing professional courses like Chartered Accountant, Cost and Management Accountant, Company Secretary, etc.,
- To ensure holistic development of Commerce students.
- We follow NEP 2020 of Govt. of India.
